## The NEF Teacher Tribute Program

In the spring of 2004 we launched the *Teacher Tribute* program as a way for students and parents to acknowledge and honor teachers, provide funding for school projects not in the budget and a way to save you, a parent, time and trouble. The program was a great success. Tremendous positive feedback from both teachers and parents have encouraged us to continue the program. We thank all of you who participated in the past.

Many parents wish to show their appreciation by offering a small gift around the holidays or at the end of the school year to a special teacher or support person. And while our teachers appreciate these genuine gestures of thanks, please consider an alternative ... a gift in the name of that special faculty member to the NEF.

Your gift will be invested in the school system through NEF efforts. The teacher you choose to honor receives a thank you card explaining that your family donated funds to the NEF in appreciation of their efforts.

The Newburyport Public Schools administration and faculty have endorsed the *Teacher Tribute* program and we hope you will consider joining other parents in this effort.

Please use the NEF Teacher Tribute form for your contribution and send in with your contribution. If you have any questions about the NEF or the *Teacher Tribute* program, please contact Christin Walth, NEF Executive Director, at [cwalth@NewburyportEF.org](mailto:cwalth@NewburyportEF.org) or 978.463.7893.

Thank you for your consideration.
